Textbook Adoption
Statement Regarding New Editions
(Summer 2018)

Department of __________________________

In accordance with the requirements of FL 1004, BOG Regulation 8.003, and USF Policy 3.029, course instructors using a new edition of a textbook used in previous semesters must supply a statement that describes the extent to which the new edition differs significantly and substantively from the earlier version and the value to the student of changing to the new edition.

For your department, please supply the information below using the response codes on page two.
